Peach Girl
Change of Heart

Momo realizes that Kiley is still in love with Misao, and that it's a very real possibility that they might have to end their relationship—for good. While Momo swims out her frustrations in the pool, Kiley arrives to talk things out and admits he's torn. Although he cares deeply for Momo, the memories he has of his time with Misao are also very strong. Kiley then reveals a shocking secret about his past...and Momo's unique link to it. Momo refuses to give up on their love, and tells him that she'll chase him to the ends of the earth. However, Momo is soon bowled over by a chance encounter with Toji, her old flame. Then Sae adds some of her signature drama to the situation, and Momo is left feeling shell-shocked. Who will Momo choose now—Toji or Kiley?

But I felt insecure. I didn't have confidence in myself

I was so happy knowing that you cared for me.

I really loved you, Momo.

I thought we would make it as a couple.

I'm sorry.

...but it wasn't a fling with you.

Why can't I be the one for you?

You mean Misao?

.....

Not as Ryo's brother, but as Kiley.

She was the first one to accept me for who I was.

It's something I can't control...

But even though I had a great time with you..

...there's something inside me that I can't let go.

And I realize I keep going back there...

I told you that Ryo stole all my girlfriends.

Remember?

As. Ryo's partner?

But somehow I wasn't good enough.

I didn't change

They all told me that they loved me

But as soon as they met Ryo, their attitude changed

You know what I'm saying?

People get tired of the one they have already

It's just like when a new toy comes out

I couldn't even look at Ryo's face. I didn't want to go home anymore

You might think this is stupid, but it really depressed me

I was never as good as Ryo

No one would accept me

I wished I was in a world without him

But Mina was different

Really ?

Who are you?

Sit down.

Well, things are going to be different now.

Eight tutors before me quit?

I've heard about you.

So are you after Ryo too?

So you're Ryo's college friend?

That's Ms. Aki!

Hey Misao...

No one had ever sa d anything like that to me before.

Otherwise, you wou dn't take a miserable assignment like this, r ght?

You must be.

Bet you were expecting someone cuter, huh?

You w sh I ooked more like Ryo, don't you?

Everyone e se compared me to Ryo.

I a most wanted to cry

You're your own person.

Why shouldn't you be different than Ryo?

You're you.

What are you say ng?

But I was wrong.

It was that summer when I realized Misao's true feelings.

I tagged along on a trip with Ryo's group.

What the heck are you doing here?

But Misao accepted me for who I was.

And that's when I fell in love with her.

Misao would come just to see me.

That was enough to make me happy.

I also liked how she was cold to Ryo

I couldn't believe that a girl could ignore him.

That necklace.

What?

That looks good on you.

Oh, stop. We're here, so let's have fun

I've never seen you wear something like that.

It looks good.

You look pretty.

. Misao wasn't being cold to Ryo because she didn't like him.

She was just self conscious around him because she really did want him.

That's when I realized...

That idiot! Where's he?!

No, not yet.

Did you see him?!

Typhoon Charlie is approaching the main and slowly but surely...

I started hanging with some surfers.

I felt rejected.

Misao was just like all the other girls.

I didn't feel like doing anything.

I finally went outside on the fourth day after the typhoon.

I didn't think I was serious.

But maybe if I died, Ryo and Misao would feel guilty.

That would show them.

When I came to...

...I saw how worried everyone was

But then...

What did you think you were doing?!

I thought she was going to hit me

But...

...all those thoughts disappeared once I went under.

I found out later that while I was gone for those four days...

...Misao was desperately searching for me.

She looked through that storm even though everyone tried to stop her.

I'm not leaving until I find Kiley.!

We tried to get her to come back but...

Can you believe it?

None of us wanted to go outside in that storm, but she was out there night and day.

She couldn't even make a right turn, but she drove all over with a map next to her.

I'm glad you're safe ...

A girl saved you.

She left already, though.

I think her name was... Momo. Momo, Adachi.
